Dear Mr Tsekov,

S&D GROUP CONFERENCE - SOFIA, 18 NOVEMBER 2010

On behalf of the Socialists and Democrats Group in the European Parliament, I wish to offer you our sincere thanks for your contribution to our Group Conference on "Media freedom and democracy under threat", which took place on 18 November in Sofia.

Our members and guests of the meeting very much appreciated your intervention on the issues of independent institutions and democratic values under attack. We share our concerns and express our solidarity in the fight for the respect of democratic principles in Bulgaria and across Europe.

With thanks and best wishes,

Martin SCHULZ, MEP
President of the S&D Group
